

Tell us about your environmental project and you could win **\$2,000**.

In February, five grants will be awarded by Champions of the Environment to outstanding environmental projects.

Applications are due January 15, 2010. Applicants may be school groups, clubs or individual students in a public, private or home school setting.

Visit **www.scdhec.gov/champions** for more information and to apply, or call the Champions' coordinator at (803) 898-4394.
